**Student safety** is our biggest priority. For this reason, all visitors to our building must check in at the front office and present their photo identification. Additionally, during afternoon dismissal, we will be using a barcode system to help us account for all car riders, walkers, bikers, day care and bus riders. Car rider signs not received at Meet the Teacher will be distributed to students on the first day of school. Students or parents may request additional signs through their homeroom teacher or the front office. Car riders will be dismissed through the front doors and placed in cars with the proper CAR

RIDER SIGN. Any parent who does not have a car rider sign will be asked to park their car and wait until the pick-up line has dwindled (usually by 4:15pm). At that point, parents may enter the building with their photo identification to obtain a dismissal pass or new sign. To save you time and ensure the safety of your child, it is imperative that you have the car rider sign with you each time you come through the line. The sign should be prominently displayed through the entire line process and not removed until your child has loaded your vehicle. Student name(s) should be written in large, bold print with a black marker. **Please do not enter the Front Office between 3:50 and 4:10 to get your child.** Each staff member has a specific duty during this busy dismissal process. Interruption of these duties hampers our ability to dismiss all students correctly and safely.

If you need to **change your child's normal mode of transportation**, you must send a signed note to his/her teacher that morning, notifying them of the specific details. Should an emergency occur, requiring transportation to be changed later in the day, you may fax a signed request to the receptionist @ 832-592-8910. **Please CALL US at 832-592-8900 to make sure the fax was received.** Because we cannot guarantee that emails will be seen or received in a timely manner, this mode of notification will not be accepted. Any changes in transportation must be received prior to 2:30 pm. After this time, your child must ride his/her normal mode of transportation. Please know that requests to ride the bus home with friends will not be permitted.

Please note that we will provide a **"Drop Off" station** in the front office for items that you bring to school for your child such as lunches, forgotten instruments, homework, etc. We will not disrupt the classroom with phone calls to notify the student of the drop off. They may, however, check this table on their way to lunch or between classes with teacher permission and a hall pass.

## **Birthday Recognitions**

Birthday recognitions may be served in the cafeteria once the classroom has finished eating lunch. Due to allergy, safety and sanitation concerns, any items served should be limited to store bought items and served using food safe gloves when items are not packaged individually.

## **Medications**

All medications must be checked in through the school nurse by the parent. Students may never have medications, including over the counter products such as pain relievers or cough drops in their position. All medications will be distributed through the school nurse.

## **Cell Phone/Electronics Policy**

Electronic devices (**including phones**) are permitted but **MUST** be turned off and concealed prior to entering the building. Students may notify parents of their arrival to campus before entering the building. Students may notify parents of departure after stepping outside the building. An electronic device should be stored with the student in his/her backpack or bag. **Your student may not respond to a call/text on his/her cell phone during the school day. Doing so will result in disciplinary action.** If you need to reach your student, please contact the school and we will assist you.

Electronic readers are allowed for **reading purposes ONLY**. E-readers must be turned off during class time unless given permission to use by the teacher. Apple or other Smart watches may not be used to send/receive messages or access the internet.

*Your child's phone and any other electronic device will be confiscated if used inappropriately. Repeated misuse of an electronic device will result in detention and/or loss of privilege to bring an electronic device to school.*

**Please note: The school is not responsible for lost or stolen cell phones and/or electronic devices.**

## **Bus Registration**

Even if you will not normally ride the bus, we encourage you to register so the option is available if needed. The earlier you register for the bus, the sooner your route information can be established. This is a multi-step process. Please see the following directions.

1. All information can be accessed through the CISD Transportation web page at <http://conroeisd.net/department/transportation/> If a student was registered last year, the system should carry them forward as a registered rider. If not, you can register (again) by selecting the **Register for Transportation** button.
2. If your child is registered for transportation, you will want to look at the orange column entitled **What Bus Do I Ride?**
3. When you click on the **Find Bus Route** button at the bottom of this column, you will be taken to the Compass page at <http://conroeisd.net/department/transportation/>
4. Compass is the system where transportation information is kept.
5. When you arrive on the Compass page, you must click on the **Student Eligibility** button at the bottom of the page.
6. When you click on this, it will take you to a prompt that requests two pieces of information. The first piece of requested information is the Student ID number. You can get this from Parent Access, last year's report card or by calling the school. (This is also your child's library and lunch number, so they may be able to help you.) The second piece of information the system uses to identify the student is the student's date of birth in DD/MM/YYYY format.
7. Next, click **Find**.
8. This will bring up the specific information about the location (address) and time the student will be picked up as well as the drop off location and the time.

Please note that parents should check back later in the week to make sure the route has not been updated.

## **Food/Drink/Candy**

Healthy Snacks and water are allowed in the classroom at teacher discretion at various times of the day.

Allowable healthy snacks for the classroom include:

- Fruit, vegetables, crackers, bars, or other teacher approved options that do not require utensils, leave an odor, stain furniture or carpet or create a mess.
- The only drink allowed in the classroom is clear, unflavored, non-carbonated water. Water may

be bottled or stored in a refillable container.

*All other food or drink* must be consumed in the cafeteria during the designated breakfast time from 8:00-8:40am or during the student's regular lunch time.

- Drinks such as coffee, soda, tea, juice or flavored waters may only be consumed during these designated times in the cafeteria. Students may not drink these beverages in the hallways, at recess or in the classroom.
- Breakfast foods and other items that do not fall under the healthy snack category may only be consumed during these designated times in the cafeteria. Students may not drink these beverages in the hallways, at recess or in the classroom.
- Lunch may not be delivered directly from a restaurant or food vendor as we cannot verify that the parent initiated the delivery or approved of the food. Parents may personally deliver or drop off food from restaurants or other food vendors.

Please note that any food or drinks not consumed during breakfast or lunch in the cafeteria must be sealed and stored in the student's backpack or lunch box or discarded before leaving the cafeteria.

Thank you for support with this procedure as we work to maintain a safe, pest-free, clean and distraction-free environment for our students.

We LOVE parent support and encourage you to **be involved in Wilkerson happenings!** Your homeroom teacher and Wilkerson PTO will be sharing a variety of opportunities with you! In the meantime, please take a few minutes to complete the CISD Volunteer Application at <http://www.conroeisd.net/volunteer.asp> . Without this completed application, you will not be allowed to volunteer in the school building. This application must be completed each school year.
