### CPHS Homecoming Parade – Wednesday, 9/5

The College Park High School Homecoming Parade is Wednesday, September 5! Rather than a typical parade with floats, participants “parade” around the Woodforest Stadium track with their spirit group. The parade is followed by the CPHS pep rally in the center of the field. Students who want to participate with Wilkerson should meet our group at Woodforest Stadium by 5:30pm. We will be lined up on the North end of the stadium (near the score board). To dress in theme, we encourage participants to wear a masquerade style mask and cape or at least a close approximation. You could even attach a pillow case or beach towel to the shoulders to act as a cape. **\*\*Please note that parents are responsible for transportation to and from the event and must remain on the premises for the duration of the parade.**

### School Hours

8:00am – Front doors open (students report directly to cafeteria).

**\*Students may not be dropped off prior to 8:00am as no staff is on duty to monitor student safety.**

8:30am – Students are released to homerooms (those who arrive at/after 8:30 go directly to HR).

8:40am – Daily announcements begin

8:50 – Start bell rings and instruction begins (those who enter the building after the 8:50 bell will be counted tardy).

4:00 – Dismissal bell

## Dear Parents of the Car Riders,

We wanted to share some routines and procedures with you for a safe and expedient pick-up of your student.

- Dismissal begins at 4:00. Please arrive on campus no later than 4:15 to pick your student up.
- Enter the circle drive in the right-hand lane.
- Have your pink car rider sign displayed visibly through your car's front windshield, with your student's name printed in dark, bold letters.
  - If you do not have your pink car rider sign with you, please park and enter the building so staff can safely identify you as an adult with access to that student.
- Our duty staff will tell you a cone number to drive to. Please drive to THAT cone and wait for your student to meet you there.
- Please stay close to the curb in the right-hand lane while loading your student.
- Once you have loaded your student, you may switch lanes to the left-hand side to exit the circle driveway, if cars in front of you are still loading.
- DO NOT PARK IN THE LEFT-HAND LANE. That lane needs to remain clear for through-traffic. Of course there will be that time period close to 4:00 when the left-hand lane is stopped, due to pedestrian traffic and traffic on Sawmill Road.
- DO NOT park in the regular parking spaces and have your child walk to your car. This is an extreme safety hazard for your child AND it disrupts the flow of our car line when parked cars try to back up or enter the line. If not going through the car line, you need to meet your child at an off-campus location.

Thank you for your help with this. If we are all following the same routine, car rider dismissal will go as smoothly as possible.

Thank you!

## Bus Registration

Even if you will not normally ride the bus, we encourage you to register so the option is available if needed. The earlier you register for the bus, the sooner your route information can be established. This is a multi-step process. Please see the following directions.

1. All information can be accessed through the CISD Transportation web page at <http://www.conroeisd.net/transportation/>.
2. If a student was registered last year, the system should carry them forward as a registered rider. If not, you can register (again) by selecting the **Register for Transportation** button.

3. If your child is registered for transportation, you will want to look at the orange column entitled ***What Bus Do I Ride?***
4. When you click on the ***Find Bus Route*** button at the bottom of this column, you will be taken to the Compass page.
5. Compass is the system where transportation information is kept.
6. When you arrive on the Compass page, you must click on the ***Student Eligibility*** button at the bottom of the page.
7. When you click on this, it will take you to a prompt that requests two pieces of information. The first piece of requested information is the Student ID number. You can get this from Parent Access, last year's report card or by calling the school. (This is also your child's library and lunch number, so they may be able to help you.) The second piece of information the system uses to identify the student is the student's date of birth in DD/MM/YYYY format.
8. Next, click ***Find***.
9. This will bring up the specific information about the location (address) and time the student will be picked up as well as the drop off location and the time.

Please note that parents should check back frequently as the first day of school approaches to make sure the route has not been updated.

### **Cell Phone/Electronics Policy**

Electronic devices (**including phones**) are permitted but **MUST** be turned off and concealed *prior to entering the building.* Students may notify parents of their arrival to campus before entering the building. Students may notify parents of departure after stepping outside the building. An electronic device should be stored with the student in his/her backpack or bag. **Your student may not respond to a call/text on his/her cell phone during the school day. Doing so will result in disciplinary action.** If you need to reach your student, please contact the school and we will assist you.

Electronic readers are allowed for **reading purposes ONLY**. E-readers must be turned off during class time unless given permission to use by the teacher. Apple or other Smart watches may not be used to send/receive messages or access the internet.

*Your child's phone and any other electronic device will be confiscated if used inappropriately. Repeated misuse of an electronic device will result in required parent retrieval, detention and/or loss of privilege to bring an electronic device to school.*

**Please note: The school is not responsible for lost or stolen cell phones and/or electronic devices.**

### **Dress Code Policy**

As you prepare for the new school year, please keep the dress code requirements in mind.

- Pictures, emblems, or writings on clothing that are any of the following are prohibited: lewd, violent, suggestive, offensive, vulgar or obscene, or advertise or depict tobacco products, alcoholic beverages, drugs, weapons or any other prohibited items.
- Halter-tops, racer back shirts, muscle shirts, and spaghetti-straps tops are not permitted unless covered by another shirt. Shirts must fit under the arm so as not to expose undergarments or torso.

- Midriff shirts, or shirts exposing the midsection of the body, are not permitted.
- Heavy make-up/cosmetics may not be worn or applied at school.
- Hats/hoods are not to be worn inside the school.
- Hair and hairstyle that pose a distraction to the learning environment are not permitted.
- Pants/shorts may not be worn lower than undergarments.
- Shorts, dresses and skirts must reach fingertip length when the student rests his/her arms at his/her side (even when leggings/tights are worn underneath).
- Girls should wear shorts/tights under their dresses.
- Closed toed shoes with backs must be worn in PE. Tennis shoes are recommended. Flip flops may not be worn during PE.
- Leggings/jeggings should be paired with a long, loose fitting, flowing top that covers the hips.
- Additionally, any clothing or grooming that in the administration's judgment may reasonably be expected to cause disruption of or interference with normal school operations will be prohibited.

*Any other dress code issues that are not written in the handbook will be considered on a case by case basis. Wilkerson administrators have final discretion as to what is or is not appropriate.*
